The financial year for the DDF is from 1 July to 30 June in the following year.

5. Australian Financial Services Licence

The DDF will not issue any debenture to any retail, non-associated investor after 31 December 2016. As a consequence, the DDF will not be required to hold an Australian Financial Services Licence (ASFL).

In the event that the DDF proposes to issue a debenture to a retail, non-associated investor after 31 December 2016 appropriate arrangements will be made in relation to an AFSL.

6. Charitable Purpose

The charitable purpose of the DDF is to advance the mission of the Anglican Diocese of Armidale. The products that will be issued by the DDF will raise funds to enable the DDF to fulfil its purpose of advancing the mission of the Diocese by enabling the DDF:

- (b) to make loans to clergy and staff of the Diocese and its entities and agencies for the purpose of purchasing a home;

- (e) to make grants to the Diocese out of the surpluses from its operations for use by Diocesan Council for such purposes as the Council may determine.

7. Methods of Fundraising

The DDF receives funds from a range of investors. The *Corporations Act 2001* defines a debenture as a chose in action that includes an undertaking by the borrowing entity to repay, as a debt, funds invested with or lent to the borrowing entity. Consequently, the products offered by the DDF are debentures. The DDF undertakes to repay those funds in accordance with the terms and conditions of the investment product chosen by the investor. The funds which are invested for any or all of the purposes of the Fund will receive interest on those funds at rates which will be determined from time to time by the DDF Board.
