

## CMS Autumn Encounter 2019

Join us in April as we encounter God through His Word and His mission throughout the world. Andrew Lubbock will speak on "Blessing all the nations" from Genesis 12-17. Andrew, with his family, was a CMS missionary in Italy for many years before returning to Australia where he is now Senior minister of Arundel Presbyterian Church on the Gold Coast. We'll hear from Andrew and Margie Newman, missionaries-in-training at St Andrew's Hall, preparing to work in Uganda. This is a conference for everyone – there's a youth and children's program (12mths to Year 12) where they'll grow in their mission awareness and have fun too. If you want to make a weekend of it, join us for an informal BBQ on the Saturday night and church at St John's Anglican Church on the Sunday where Mark Fairhurst, CMS QNNSW General Secretary, will be preaching. Registrations open 15<sup>th</sup> February. For more information contact the CMS QNNSW office (07) 3171 3020.
