Notes to the Financial Statements For the Year Ended 30 June 2022

The financial statements cover Diocesan Development Fund (the Fund) as an individual entity. The Fund is an unincorporated not for profit entity established under the Diocesan Development Fund Ordinance 2017-21 (the "Ordinance") by the Corporate Trustees of the Anglican Diocese of Armidale (the "Trustee"). The Fund is a registered charity under the Australian Charities and Not-for-profits Commission (ACNC). The financial statements of the Fund for the year ended 30 June 2022 was authorised for issue in accordance with a resolution of the Board on 22 August 2022.

The financial statements are prepared for the Fund as an individual entity in accordance with the Ordinance.

Under Item 22 of the Ordinance, the Fund is required to maintain a reserve fund which will be available towards meeting any losses incurred by the Board in its operation of the Fund and in meeting any liability of the Trustee under its guarantee of the Fund. Under Item 27 of the Ordinance the Trustee guarantees investor funds, loans and advances held by the Fund (see Notes 9 & 11).

The Board manages the risk involved in operating the Fund by following guidelines drawn from Anglican Development Fund Minimum Standards, a document developed by the Anglican Registrars' Network with the support of the Diocesan Financial Advisory Group and endorsed by the General Synod Standing Committee. As part of this risk management, the Board consistently monitors the Fund against benchmarks for liquidity and capital adequacy.

The principal activities of the Fund are to assist the mission of the Armidale Diocese by funding the development of facilities within the Diocese, making loans for approved purposes to entities operating within the Diocese and its clergy and staff, and to invest funds not immediately required for loans.

Investors with the Fund should be aware of the following information;

1. The Fund is an income tax exempt charity, is not required to have a prospectus and trust deed under the Corporations Law pursuant to an exemption granted by the Australian Securities and Investment Commission (ASIC). The Fund is required to lodge annual audited financial statements with ASIC but these are not reviewed or approved by ASIC.
2. The Australian Prudential Regulation Authority (APRA) has granted an exemption from the Banking Act 1959 to religious charitable development funds (RCDF) and the Fund has the benefit of that exemption.

The Fund is compliant with all requirements under the above ASIC and APRA banking exemptions.

The principal place of business of the Fund is the corner of Rusden and Faulkner Streets Armidale, NSW, 2350.

The functional and presentation currency for the Diocesan Development Fund is the Australian dollar.

The Diocesan Development Fund financial statements have been rounded to the nearest dollar.

Comparatives are consistent with prior years, unless otherwise stated.

This special purpose financial report has been prepared to meet the reporting requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and to comply with the financial reporting divisions of the Diocesan Development Fund Ordinance 2017.

The special purpose financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 *Presentation of Financial Statements*, AASB 107 *Statement of Cash Flows*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors*, AASB 1048 *Interpretation of Standards* and AASB 1054 *Australian Additional Disclosures*.

2 Summary of Significant Accounting Policies

(a) Income Tax

No provision for income tax has been raised as the Diocesan Development Fund is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(b) Revenue and other income

Revenue is recognised when the business is entitled to it.

Interest revenue

Interest is recognised using the effective interest method.

Dividend revenue

Dividends are recognised when the entity's right to receive payment is established.

(c) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(d) Financial instruments

Financial instruments are recognised initially on the date that the organisation becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Diocesan Development Fund classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through other comprehensive income - equity instruments (FVOCI - equity)

Financial assets are not reclassified subsequent to their initial recognition unless the Diocesan Development Fund changes its business model for managing financial assets.

2 Summary of Significant Accounting Policies

(d) Financial instruments

Financial assets

Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Diocesan Development Fund's financial assets measured at amortised cost comprise loans receivable, trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Fair value through other comprehensive income

Equity instruments

The Diocesan Development Fund has a number of strategic investments in listed entities over which they do not have significant influence nor control. The Diocesan Development Fund has made an irrevocable election to classify these equity investments as fair value through other comprehensive income.

These investments are carried at fair value with changes in fair value recognised in other comprehensive income (investment revaluation reserve).

Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI.

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost

When determining whether the credit risk of a financial assets has increased significantly since initial recognition and when estimating ECL, the Diocesan Development Fund considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Diocesan Development Fund's historical experience and informed credit assessment and including forward looking information.

The Diocesan Development Fund uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

2 Summary of Significant Accounting Policies

(d) Financial instruments

Financial assets

The Diocesan Development Fund uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Diocesan Development Fund in full, without recourse to the Diocesan Development Fund to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Diocesan Development Fund in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

Financial liabilities

The Diocesan Development Fund measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Diocesan Development Fund comprise amounts owed to investors and trade payables.

3 Change in Accounting Policy

Realised gains and losses on investments previously shown in the Profit or Loss Statement are now included in Other Comprehensive Income in accordance with AASB9 - Financial Instruments. This has resulted in a change in the 2021 comparative figures with the reallocation of \$3,514 realised gains to net fair value movements in other comprehensive income.

Independent Auditor's Report to the members of Diocesan Development Fund

Auditor's Responsibilities for the Audit of the Financial Report

Our responsibility is to express an opinion on the financial report based on our audit. Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individual or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report.

The procedures selected depend on the auditor's judgement, including assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Trust's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial report.

We conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Diocesan Development Fund to cease to continue as a going concern.

We evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We obtain sufficient appropriate audit evidence regarding the financial information of the business activities within the Diocesan Development Fund to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.
