

Seniors Living Parish Partnership

Anglicare Next Phase Workshop

Are you ready to minister to seniors in our congregations and communities?

Are you keen to help provide socialisation and community for those who are isolated or otherwise unable to engage in community?

Are you enthusiastic about seeing seniors (and those suffering from dementia) connect to service providers who can assist them to live more comfortably at home?

Are you motivated to see the gospel shared to vulnerable seniors in our communities?

If this is you, then please come along to the Anglicare workshop where you will see how all this works. Anglicare has over 160 years of experience working in Aged Care. You will have plenty of opportunity to ask questions and explore how you could volunteer, set up program, or even obtain paid work in Senior's support.
