To the Applicant

Thank you for volunteering for a ministry role within your church.

The Anglican Church is committed to doing everything we can to ensure that our churches are safe for all who participate in church activities—including our volunteers. That is why we require everyone who has a ministry role within the church to meet specific standards of personal conduct.

These standards are explained in Faithfulness in Service which is found on the Diocesan Website at

<http://www.armidaleanglicandiocese.com/>

To help us meet our commitment to safe ministry, we ask everyone who wants to be appointed as a voluntary church worker to answer some important questions. That's the purpose of this form. Some of the questions are personal and sensitive. We are not asking you these questions because we think you've done anything wrong. We ask them because they are part of a process that will help ensure our churches are safe.
