9. The DDF may only repay an investment in the DDF if it has reasonable grounds to be satisfied as to its ability to meet the repayment requests made by the investor and other investors in the DDF (see Terms and Conditions) taking into account the guarantee by the Corporate Trustees of the Diocese of Armidale over investor funds as set out in Section 27 of the DDF Ordinance.

Interest rate and charges

10. The interest rate on Term Investments is currently 4.25 per cent per annum calculated daily and paid at the end of the term (subject to the reduction which will apply to early withdrawal – see clause 8 above). 11. Interest rates are set by the DDF Board, based on considerations of such factors as the rates of interest offered in the market, market conditions and the cash rate determined by the Reserve Bank of Australia.
12. The DDF does not impose any fees or charges on investments. However, a 50-basis point reduction will apply to an early withdrawal – see clause 8 above.
